Hanna Fenichel Board of Trustees

2016 Mission & Vision Session Summary

Mission:
At the Hanna Fenichel Center for Child Development, we strive to create a nurturing community that supports each child's growing sense of self and innate passion for learning through purposeful experiences that foster strong social skills, inquiry and discovery.

Board Priorities

- Support, tout, defend, promote the school's philosophical and curricular vision for children, families and teachers
- Foster a small close-knit community
- Foster safe nurturing learning environment for children
- Ensure financial Health (cost-based tuition)

Long-term Board and Director to-do list

- Reposition afternoon programming to better meet the needs of the children
- Continue to build strong faculty through recruitment and development
- Increase technology to support Board Priorities
- Explore possibility to attain additional campus space through lease structure

Director Priorities

- Create, develop and execute learning experience for students, teachers and parents
- Operations/Financial
    - Responsible for managing school functions within constraints of the budget
    - Proactive with requests for the Board funding requests; create a five year facilities plan
- Community Building (within Hanna)
